

# **Grande Prairie Music Society 2022/2023 Sponsorship Package**

## **Who are we?**

The Grande Prairie Marching Band can trace its roots as far back as 1916. It started as a community band that was operated under the name of The Grande Prairie Band and was the starting point for the Composite High School Band and Orchestra.

In 2021, we became aware of a desperate need in our region for community-run music ensembles; the importance of music had to be unhitched from 4-year election cycles, boards and changing administrations. We determined that we owed future generations of local musicians a fresh, community-based start. We could grow organically and musically, together. After months of legwork by stalwart local musicians with an eye for the future, the Grande Prairie Music Society was formed in August 2021.

The Grande Prairie Music Society currently facilitates 5 ensembles: the Jazz Band, Orchestra, Wind Ensemble, Youth Orchestra and the Marching Band. If you keep your ears open, you'll hear us offering concerts, parades, even flash mobs in and around Grande Prairie.
